As a result of the documentary "The Keepers", TurnAround, a non-profit that assists victims of domestic violence, human trafficking, and sexual abuse will be at **St. Matthew Church Hall (5403 Loch Raven Boulevard, Baltimore, MD 21239) on Sunday afternoon August 27, 2017 from 1:00 to 2:30 pm** to help facilitate a conversation around the topic of sexual abuse.

There will be counselors and advocates present for small group and/or individual discussions after the full group meeting.

We are asking that this be an **adult-only** gathering at this point. There may be other gatherings in the future that are more directed towards a younger crowd.

Please RSVP to the Church Office: 410-433-2300
