The Our Daily Bread hot lunch program, where we serve lunch 365 days a year to 500 to 1,000+ people, is well known throughout Baltimore. Perhaps not as well known, each day we also serve breakfast to seniors and people with disabilities and dinner to the men enrolled at the Christopher Place Employment Academy.

Currently, we are in great need of breakfast volunteers Monday through Friday from 7 to 8:30 AM and Christopher Place dinner service volunteers every day from 5 to 6:30 PM. Individuals are welcome and this is also a great volunteer opportunity for a group.

Our Daily Bread is always looking for individuals, groups or families to join the **Hot Meal program**, providing the casseroles that help to feed more than 700 people who come to us each day for a hot meal. Many Parishes and other groups are already involved in this critical task and we'd be happy to help you find an existing group or start a new one! Preparing casseroles is also a great way to give back as a family and teach children the importance of volunteering. Any sized group of concerned citizens wanting to affect hunger in our community may participate.

**High school student?** Preparing casseroles for Our Daily Bread will help satisfy your service learning hours' requirement!
