

It is officially October and we are ready to be back in full swing for youth ministry and formation. Below is some vital information for all middle and high school students!

This year we have one stop for registration. Register for all middle and high school programs (Middle School Faith Formation, Faith in Action, Confirmation) at <https://form.jotform.com/202447238868061> for the Northeast Catholic Community.

## **Middle School (7th & 8th graders)**

If you have not done so already, please sign up for our faith formation program: ***Growing in Faith Together – bringing the GIFT of faith formation to your homes*** using the registration link above. Pick up for materials will be this Saturday between 3 and 5 at St. St. Dominic.

In addition to the at home learning, we will be having virtual meetings for our middle school students monthly. Look out for more details coming soon for dates.

## **High School Youth Ministry**

### **See, Judge, Act Group Sessions**

Our **Faith in Action** Group meetings will be starting again on October 18!

Faith in Action is our High School group sessions that allow our youth through the see, judge, act method to talk about various issues in their lives, how their faith relates to the issues, and how they begin to actively change their lives through action.

Meetings will take place virtually through zoom and will be on the first Sunday of each month from 3-4:15 pm with a special introductory meeting on October 18. Attached is a flyer. All high school students are welcome to join us.

## **Confirmation**

### **9th Graders**

Current 9th graders are invited to start their year in and a half confirmation journey. We require students to go through a year of the Faith in Action Group (see above), work on a large group action with the group, and then begin sacramental formation in their 10th grade year. Students will make their confirmation at the Easter Vigil in 2022.

### **10th Graders**

Current 10th graders should continue with the Faith in Action Group with Formation that will start at the beginning of next year. The candidates will be confirmed during the Easter Season.

### **Current Confirmation Candidates**

Just a few more (virtual)sessions to go! Current candidates will have a few more sessions and confirm in November. More information will be sent in a separate email.

### **Information Session**

For all questions and updates for all things middle and high school related, there will be two information sessions to choose to attend:

Sunday, October 11 from 3:15-4:15 pm. Register [here](#)

Thursday, October 15 from 7-8pm: Register [here](#)

Despite the circumstances we are currently face, I hope we can make the best out of it and continue to grow in our faith and love of Christ and others. Blessings to everyone!
